

*\*Important Operator Training Announcement\**

## **Basic Safety for Water/Wastewater Operators**

Sponsored by:  
**Granite State Rural Water Association**

**Dates:** November 19, 2009: Keene DPW Office, 350 Marlboro St., Keene, NH  
December 9, 2009: Seabrook Fire Station, 87 Centennial St., Seabrook, NH

**Time:** 8:00 AM – 3:15 PM (*registration begins at 7:45 AM*)

**Credit:** 6 TCHs will be awarded to those who attend 100% of the course.

**Cost:** \$15 for course materials; actual training is free of charge. This course is valued at ~\$180 but due to grant funding secured by GSRWA we are able to provide this training for you at a significantly reduced cost.

Lunch is optional but will be provided at no additional charge.

**Registration:** Complete form and send to GSRWA with check for full amount at least 10 days prior to the class. Seating is limited; please register early. No walk-ins, please.

**Instructor:** *Bob Moody, E.J. Prescott*

**Agenda:** Designed specifically for water and wastewater system operators that do excavations in public roads, this course will cover the following objectives:

1. Safe trenching techniques
2. Current NHDOT/OSHA regulations
3. Operator responsibilities
4. Vehicle movement in a construction zone
5. Signage, barriers and bridges
6. Confined space entry practices and regulations
7. Latest safety equipment
8. Team approach

*The latest equipment and techniques will be reviewed. If you have questions about your confined space equipment, please feel free to bring it with you.*

*This program is generously supported with funds from **USEPA** and **USDA-RD**.*

GSRWA is a nonprofit association of water and wastewater systems in New Hampshire. We provide training, planning and onsite technical assistance to help systems protect public health and the environment. Contact us today for help and advice you can rely on.

Pre-registration is required for all training courses. To reserve your slot for this course, submit payment and a completed registration form to the address below. Your cancelled check is your confirmation of registration; you will only be notified if the class is cancelled.
